Dear Brothers & Sisters:

Mark your calendars from August 6th through August 11th! Our lodge has planned a wonderful Convention schedule for Delegates and Non-Delegates. Our activities schedule will allow you to get to know and love the Bay Area as much as we do. The attached Convention Tidbits will provide a teaser of what's to come, but in short, our tours include: U.S.S. Hornet, Chabot Space Science Center, Angel Island, and China Camp. For those of you who attended convention in San Francisco a couple of years ago, don't skip out on the Angel Island tour! The Immigration Station has been restored since your last visit and is now open to the public.

Oakland Lodge is very excited about hosting the upcoming 52nd Biennial Convention! We hope to see you all here!

Yours truly,

Edward Yu
